

### REMARKS

The present application as filed contained 43 sheets of drawings. Inadvertently, Figure 15H was not included in the sheet of drawings containing Figures 15, 15G and 16. The enclosed substitute sheet of drawings containing Figures 15, 15G, 15H and 16 is submitted as replacement for the present sheet of drawings which contains Figures 15, 15G and 16.

Figure 15H is described on page 12 of the specification as filed. As described therein

"Figure 15H is another folded construction wherein the hook engages the fastener's permanent attachment back surfaces, or the product backing."

Therefore, the introduction of Figure 15H, which has already been described in the specification, does not introduce any new matter.

Respectfully submitted,
